New Federally Qualified Health Centers (FQHC) Policy Chapter Proposed

On September 27, 2018, the Division of Health Care Financing and Policy (DHCFP) will hold a Public Hearing to present DHCFP's proposed changes to the Medicaid Services Manual (MSM) in order to create a distinct and separate MSM chapter for Federally Qualified Health Centers (FQHC) policy. This step will promote a greater understanding of current FQHC policy as well as facilitate future changes and updates that specifically apply to FQHC providers.

The Public Hearing Agenda, location and draft of the proposed MSM Chapter 2900 are posted on the DHCFP Public Notices webpage at: <http://dhcfp.nv.gov/Public/AdminSupport/PublicNotices/>
